I confirm that the interest rate I have requested will be locked in and will be applied to my loan on the start of the new fixed term subject to Westpac confirming that the interest rate /term and minimum repayment amounts as stated above are correct. If for any reason I change my selection before the new fixed term, a \$500 rate Lock Break Fee will apply per loan. (This clause does not apply to loans that are currently on a variable rate)

Notes:

This form applies to standard fixed rate rollovers where no credit assessment is necessary. Any top ups, changes of security, increase to loan term, requests for interest only periods where current facility is principal and interest, etc will require a full application to be submitted.
